On July 15, 2022, Plaintiffs Cottonwood Environmental Law Center, Montana Rivers, and Gallatin Wildlife Association filed a Notice of Supplemental Authority for purposes of the pending Motion for a New Trial and Motion for the Insurance Representative to Appear at Mediation Remotely. Docs. 172 & 188. Plaintiffs have since learned that the supplemental authority—a recent report by the Montana Bureau of Mining and Geology—does not show a plume of pollution or indicate the amount of pollution the unsewered subdivision may contribute to the discharge pipes on the golf course or below the leaking sewage ponds. Doc. 193.

Respectfully submitted this 25th day of July, 2022.
